## Summer Camp 2017 (see calendar on reverse)

DAILY SCHEDULE 9AM TO 4PM

EARLY DROP OFF STARTING AT 8AM, LATE PICK-UP UNTIL 5:30PM

### Lower School, Grades K-3rd

#### **Sports Week (Week 1, June 19-23)**

Get ready for an active week, exploring the history of different sports, finding out about key players who have shaped the world of sports, and learning how to maintain a fit body. Students will also get to take part in a sports competition and go for the gold!

#### **Geography Week (Week 26, June 27-30)**

Become a world explorer, seek out exotic, foreign locations and learn to develop a better understanding, love and appreciation for many different cultures around the world. They will even explore the creatures from different areas of the world. Then, wrap up the week with a special Geography Fair on Friday afternoon.

On-Campus "Field Trip" - Orienteering Activities

#### **Art Week (Week 3, July 3-7)**

Students will explore the worlds of famous artists in this colorful week full of creativity and inspiration. Students will be able to create through a wide variety of media and subject matter. They will be able to show off their creations at the end of the week with individual art galleries in each classroom!

#### **Tinkering (Week 4, July 10-14)**

Tinkering is all about playing, exploring, experimenting and setting imaginations on fire. Students will be encouraged to unleash their creative genius using a variety of materials and activities in this fun week of tinkering!

#### **Outdoor Fun (Week 5, July 17-21)**

How many ways can you learn, grow and have fun outdoors? This fun-filled week will provide the children with many opportunities to build their interest in outdoor life and activities. This week will help turn their attention out-of-doors, toward the open air, open spaces and increase their physical activity while stimulating their active minds!

Field Trip: Hansen Dam Recreation Center\*

#### **On the Farm (Week 6, July 24-28)**

In this fun and educational week, the children will learn where our food comes from, how it is grown, and participate in various farm activities and experiments that will give them practical agriculture experience.

Field Trip: Underwood Family Farms\*

#### **Outer Space (Week 7, July 31-Aug 4)**

To infinity and beyond... This week, the children will learn about the solar system, the planets, outer space, space travel, and so much more. Rockets, astronauts, galaxies, the Space Program... to infinity and beyond!

Field Trip: California Science Center\*

#### **Animal Week (Week 8, August 7-11)**

Learn about animals of today, and animals of long ago - where they live, what they eat, how they are important to us and to Planet Earth!

Field Trip: Natural History Museum\*

#### **Spy Week (Week 9, August 14-18)**

Learn how to solve mysteries, find treasure, de-code a coded message, and so much more. This will be a fun week of mystery and problem-solving!

On-Campus "Field Trip": Treasure Hunt\*

#### **Water Play every Monday!**

### Elementary through High School, Grades 4-12

#### **Fun Weekly Workshops PLUS Academic Advancement!**

Each morning, students will have the opportunity to take a morning sports class, and then an academic study period. Use this academic time to:

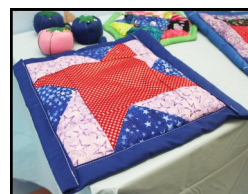

- get ahead academics
- do extra courses
- get help with a problem subject
- sharpen study skills, and more!

Each afternoon, choose two different workshops ("A" from 2:45-2:00 and "B" from 2:15-4:00).

These workshops are delivered on a rotating basis, sometimes only once or twice during the summer, and others will be delivered almost every week. Most workshops have limited space and will be filled on a first-come, first-served, basis. Once at capacity, it will be closed. Any workshops with insufficient enrollment will be cancelled, and students will be able to choose a different workshop that week.

- Academics—offered every week, morning and afternoon. Use this time to learn and sharpen study skills, improve in math, get ahead in reading, tackle chemistry, or even get a head start on the fall term.

- Art—A variety of art classes will be delivered throughout the summer. There will be at least one choice each week. Some of the offerings are:

- ⇒ Sculpture
- ⇒ Watercolors
- ⇒ Calligraphy

- Cooking—may choose "A" or "B" periods, not both.
- Quilting, all hand-sewing
- Lego League Robotics
- Modern Dance
- Interior Design
- DIY Accessories
- Jewelry Making

#### **Sports Camps**

**Soccer Camp** — Morning period during Week 4 (July 9-13) and Week 7 (July 31-Aug 4). Students will be able to practice and hone basic skills, and play scrimmages to work on team and individual skills.

**Basketball Camp** — Week 8 (August 7-11) in the morning period. Students will learn plays and take part in learning drills to fine tune their skills on the court. Those skills will be tested in daily scrimmages.

#### **Off-Campus Field Trips**

These off-campus trips are optional and require an additional fee, ranging from \$25 to \$50 each. Sign up and pay at least one week in advance.

- June 23 - Beach Trip
- July 14 - IMAX Theater and California Science Center
- August 4 - Bowling
- August 18 - Hurricane Harbor

\* All trips are subject to change.
